## THE MORE LOGICAL WAY TO LODGE YOUR CLAIM.

In an increasingly digital world, for clients, the ability to lodge claims online is essential. With the Insurance needs of Australian transport operators constantly changing, our customer based portal ClaimIt@GT streamlines the lodgement process. Automating many paper based procedures through an online portal makes claims handling fast and efficient. ClaimIt@GT improves collaboration and helps you avoid incomplete lodgements and errors caused by misreading handwritten forms.

### EFFORTLESS CLAIMS LODGEMENT.

ClaimIt@GT is like driving an automatic vehicle instead of a manual. Claim lodgement is uncomplicated thanks to its intuitive technical design based on the input we received from our clients and businesses across Australia. Everything flows logically, so drivers can lodge their own claim information 24/7, from anywhere on the road (so long as there's the internet). This information is automatically shared with their broker and transport operator, and both are alerted to any missing documents or incorrectly submitted information.

Try using ClaimIt@GT for your next claim, it's the logical way to lodge.

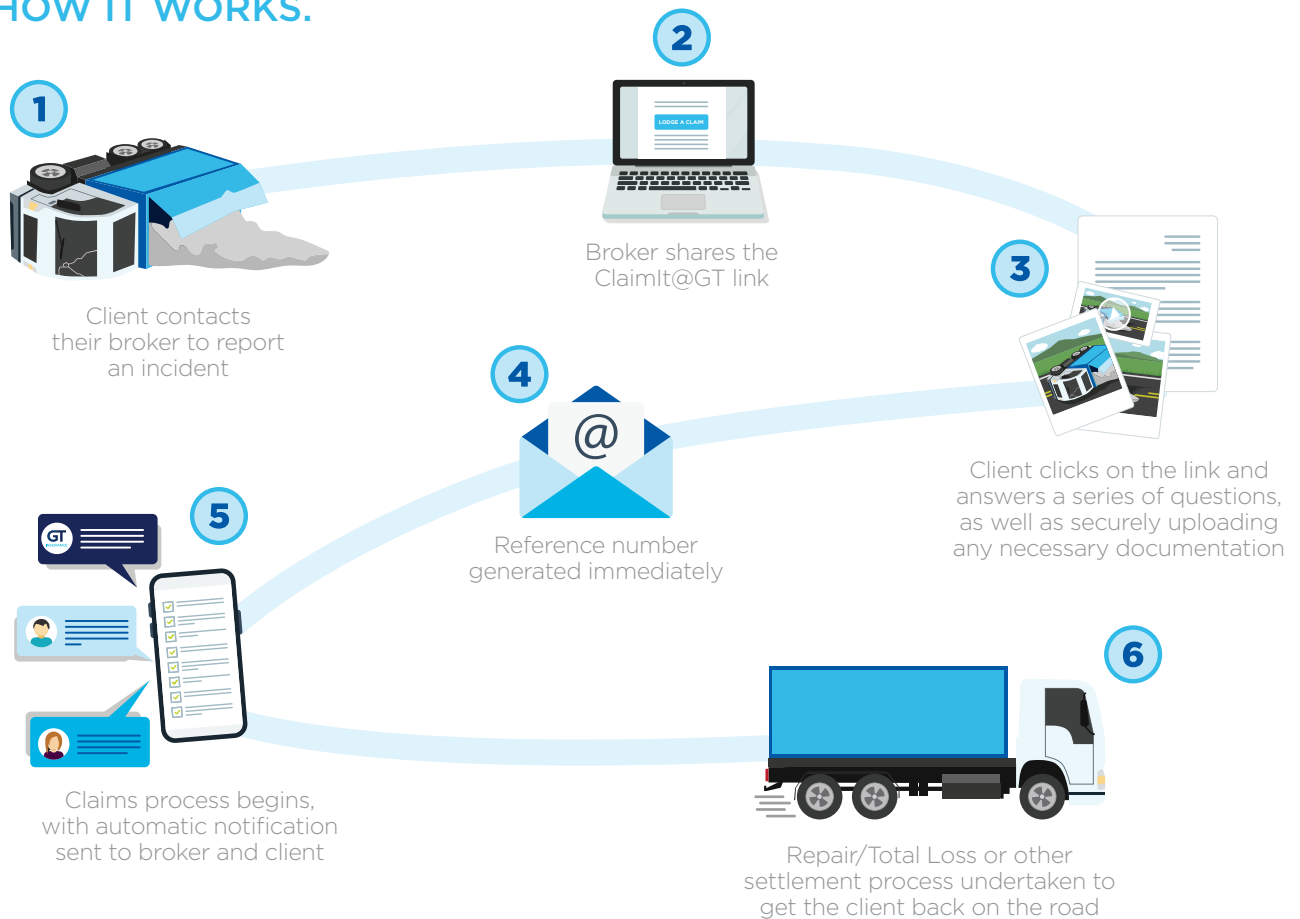

### THE SECURE ROAD TO SAVING TIME.

ClaimIt@GT is both secure and paperless which helps manage client information more easily. Giving brokers access to all lodgement materials so they can review their client's claim before it's submitted to GT Insurance. With ClaimIt@GT you cut admin time and the hassle of misplaced paperwork. So do the logical thing, lodge using ClaimIt@GT and benefit from the speed and efficiencies of claiming online.
